I was born in Hong Kong, lived in Japan, and resided in Oklahoma before settling on Kauai 30 years ago. My father is a retired Vietnam combat veteran of the U.S. Army. I am a veteran of the Kauai Police Department. We both served and protected the public for our careers.

Rising through the ranks from patrolman, I worked for the Kauai Police Department for over 23 years and retired as its Chief of Police in 2006. In 2004, when the Police Commission selected me as Kauai's Chief of Police, I implemented initiatives to combat the "ice" problem which was so evident that year. The initiative I implemented has proven to be effective. The community's outcry to combat the illegal drug problem had subsided in 2006 due to the outstanding narcotic cases the Kauai Police Department completed. The amount of confiscated "ice" within my first year as Chief had more than quadrupled. The price of illegal drugs more than doubled, which is an indication of lower illegal drug supplies. In 2006, the number one problem voiced by the community is no longer the illegal drug trade.

My 23+ years in the County government gave me intimate knowledge of the administrative procedures of the County to work efficiently in the County Council. I will continue to work for the people of Kauai. I will honor the "Sunshine Law" and I will eliminate selective application of the law.
